Happy Autumn Neighbors!

The JPSOA team has opted to start a seasonal newsletter to keep everyone informed of events that are coming up (and hopefully to help foster a greater sense of community).

The COVID situation has really put a damper on the in-person social events. However, we have high hopes that things will straighten out and we will be able to do some fun throw-downs Spring & Summer 2021 (while complying with best practices, of course).

NOT FAMILIAR WITH JPSOA?

We are a non-profit whose purpose is to protect the lake (and our property values); and to help comply with state guidelines so we can take advantage of grants and services they provide. To that end, we also participate in a Lake Hosts program, where paid workers and volunteers run a boat inspection station at our ramp. They educate folks and inspect boats before they come into the lake.

The JPSOA takes donations and membership dues each year for our "Lake Protection Fund". Many lakes around us are suffering from invasive species and, it's only a matter of time before we may have to deal with an outbreak.

JPSOA YARD SALE SPRING 2021

In order to protect Jenness Pond from invasive species and keep the pond beautiful, healthy, and enjoyable, we would like to increase our JPSOA pond protection funds.

Therefore, we have decided to hold a community yard sale. Please consider donating items to JPSOA for this yard sale. Also, consider volunteering to help sort, price, and be a "day-of" helper.
